DELON OLSON

Dear Lon—
Another year gone by — with more problems, too. This year has gone by way too fast for me — but that's okay — I need all the beauty sleep I can get. Your always seem sweet guy and your smile when I'm down — I hope I can do the same for you. Have a nice summer — 'cause it's many girls! (:) A friend always, Lisa C. Dear Lon, you can be a real pain but you're a nice guy. I've been pretty busy this year, have a nice summer and work hard. See ya. Best Wishes Dee.

Dear Lon,

It's 9:56 p.m. and I didn't have anything to do, so I found your book. The year had its ups and it had its many downs But for my first year - I really enjoyed it alot. The dances were a blast, especially when I didn't have anyone to dance with, - you were there! Basketball had its ups & downs, too. In our girls basketball it was mostly downs! (We need some (pep pills!) ups!) All in all its been a pretty good year. I know I'll see you alot this summer, so I hope we remain good friends. Sorry the is sloppy, but you try writing in bed once! See ya! Just think - you're a Junior now! Love

Dear,

Well, I don't know about you but the year has gone way too fast for me. Of course there were some bad times for me and I think you know when they were! But all in all - I don't think it was too terrible. We only had 2 classes together but like the old saying goes - you can't please all of the people all of the time!

I can't believe that pretty soon we'll be out for the summer! I just don't know if I'll make it! Well, take care of yourself & don't flirt with too many girls - its bad for your health. (Don't ask me why!!) Hope to see ya over the summer!

Friends Always,

Susie

friend,

Take Care & be good

Love ya,

Heidi

Delon,

We didnt have any classes together except studyhall and then you sat on the other side of the room. I dont have to be in very many classes to know that your a wild & crazy guy. Your even sweet at times. I saw ya at Tolujs house once in awhile too.

Well hope I have more classes with ya next year.

See ya around and take care.

PS Be Good! and don't let the girls take advantage of you.

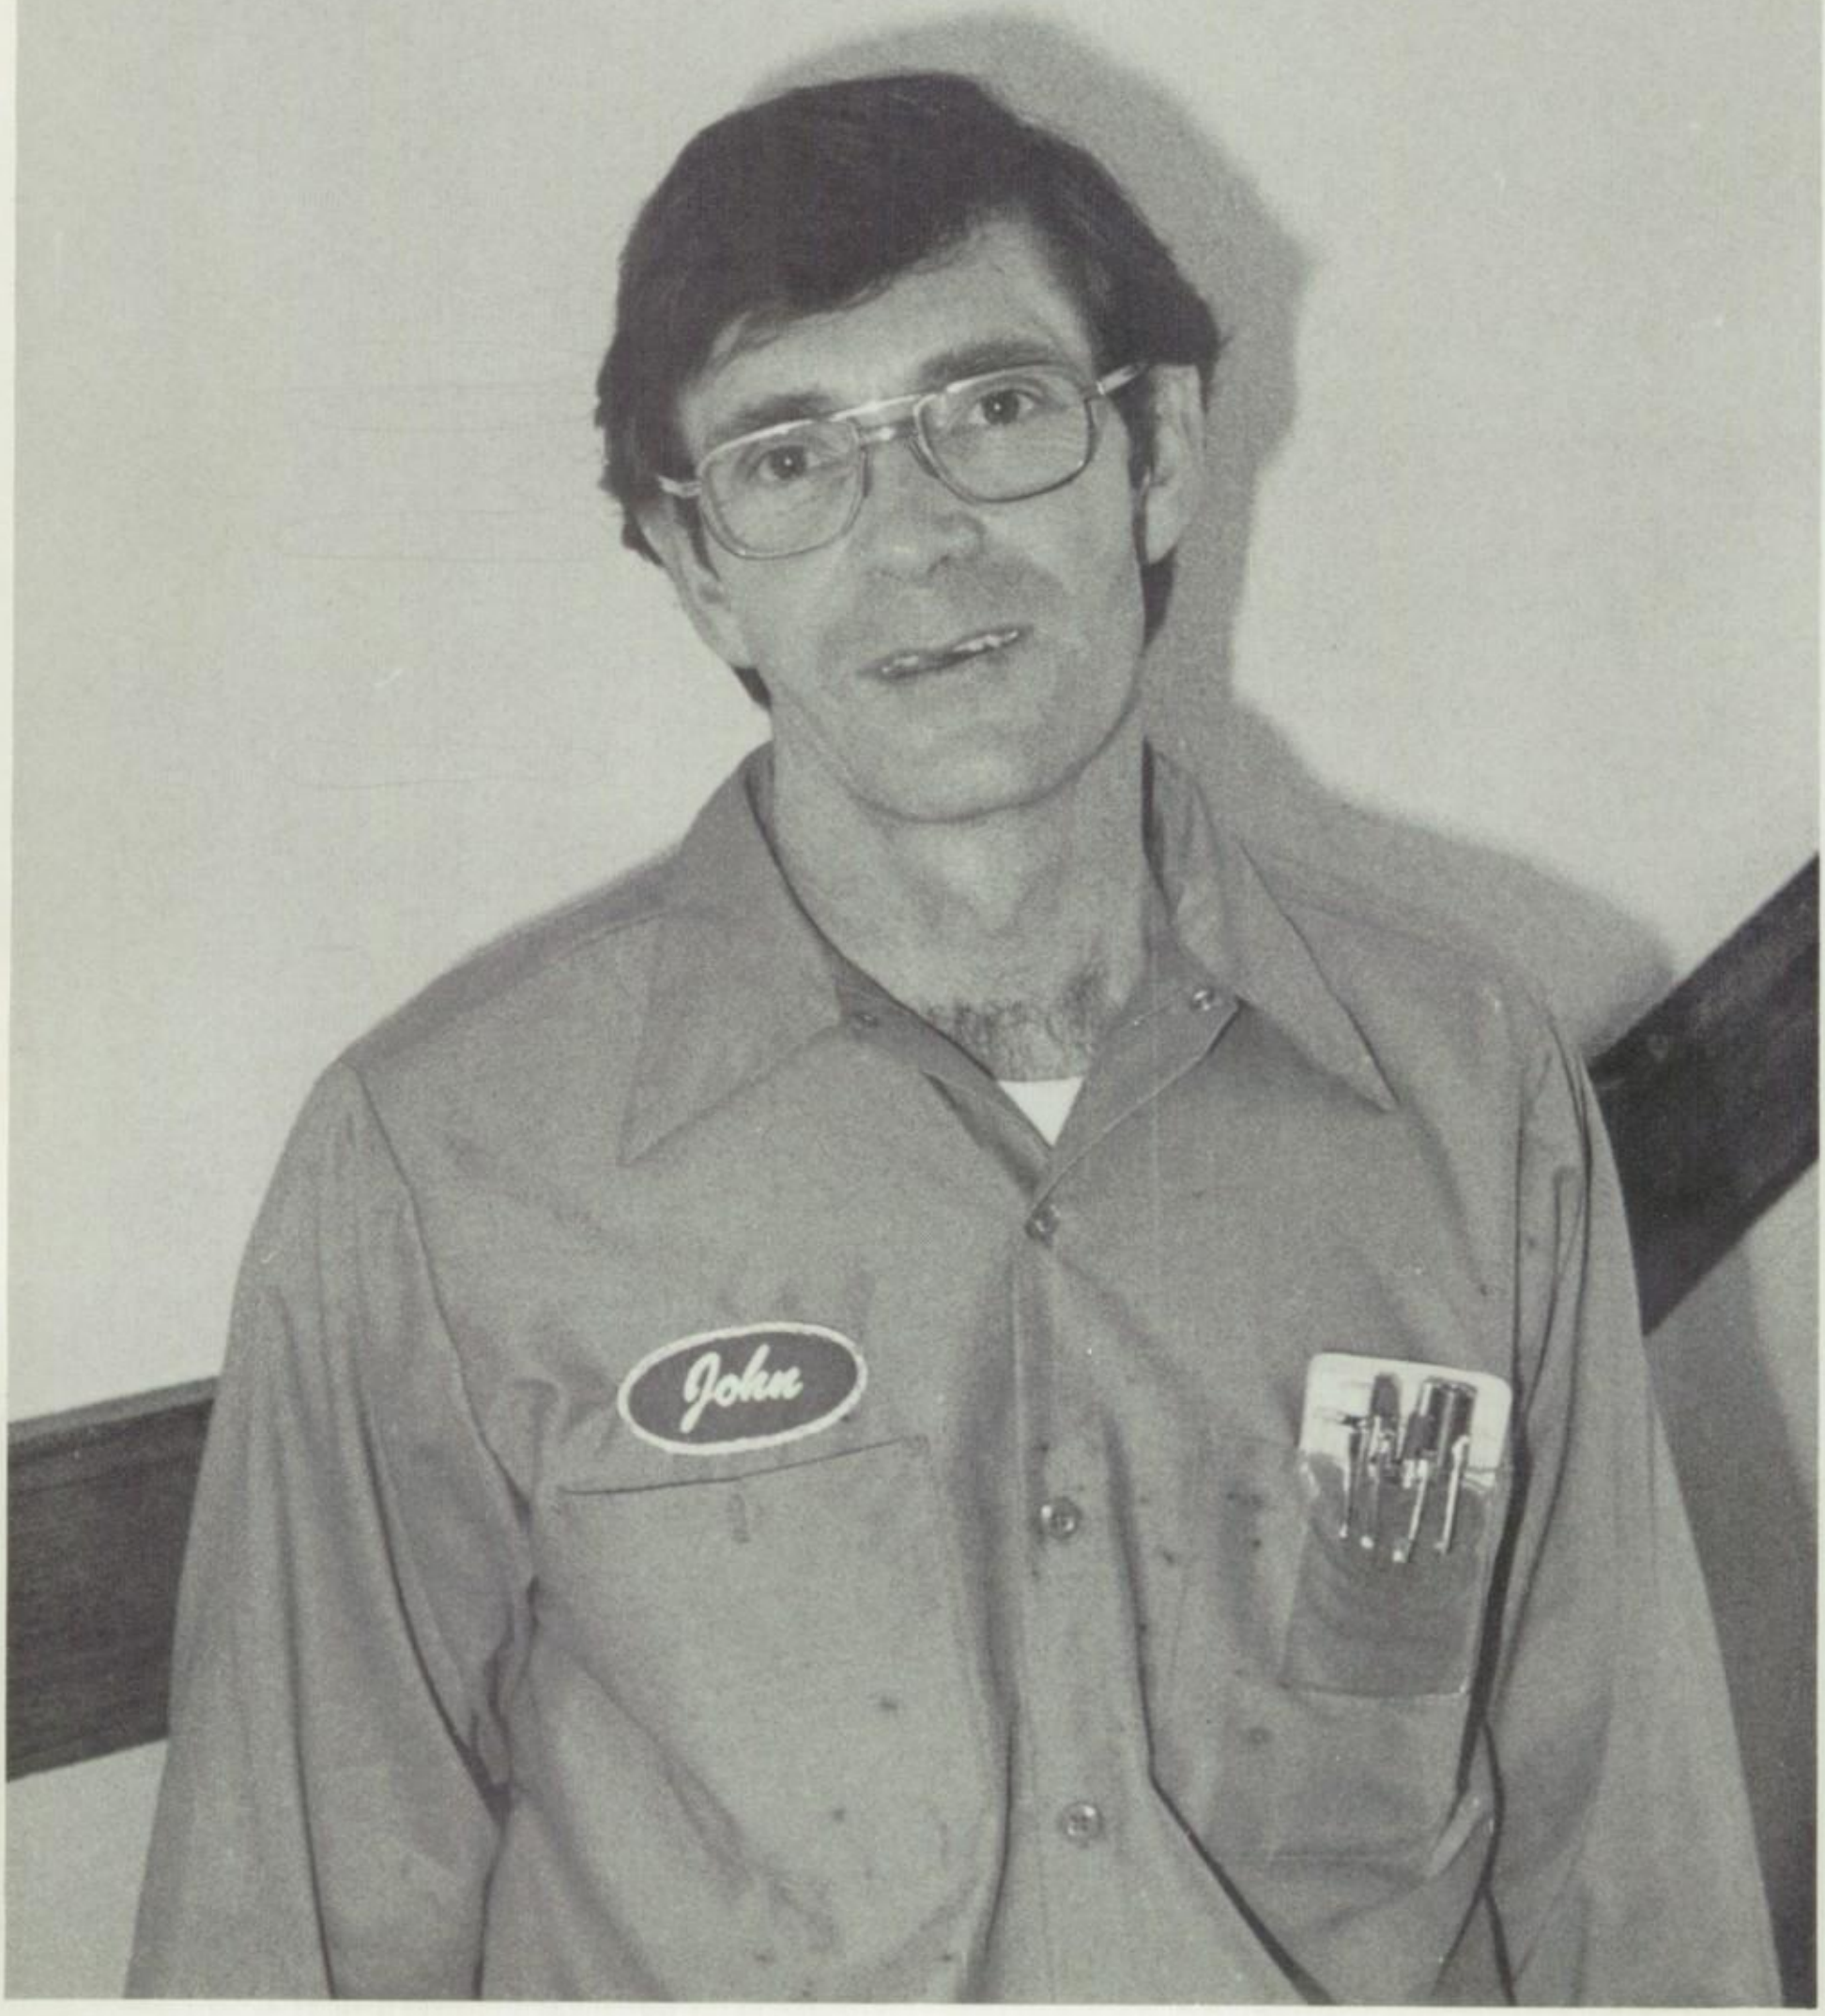
# WE LOVE YOU, JOHNNY



# FOR YOU...

When outsiders walk through our doors, one of the first things they notice is the school itself. It's always as clean as can be--a source of much pride.

But what people don't see is the time put into keeping it that way, the late night hours spent sweeping the gym floor, mopping the lobby floors, and making sure all is locked up tightly.

The person in charge of all this is the same person who lets us into locked rooms, helps us find things, and is always ready to talk and joke around. And besides his work at school, he's active in his church and is a volunteer fireman.

And so, because of your dedication to the school and the community, we would like to present you with this 16th volume of the Trojan and say, 'Thanks,'

# HOMECOMING VICTORY SENDS TROJAN SPIRITS SOARING

Homecoming 1980, with the theme "Into the Night", was truly one to remember. Thursday night Diane O'Donnell was crowned queen and John Anderson king. This was followed by the traditional parade through town by the Trojan fans, and the bonfire.

The Homecoming parade began at 1:30 Friday afternoon. The class of '81 won first place on their float for the third time. After the parade the Trojans trooped into the gym for skits. Here, the skit by English 12 recieved first place. That night the Trojan football players beat the Seneca Indians in one of the most exciting Homecoming games ever. The game went into triple overtime and the final score was 12-6. A lot of people attended the dance afterward with music by Z-93.

Our marching Trojans had one heck of a memorable season. They participated in the Aquatennial Torchlight Parade in Minneapolis, and were the recipients of the congeniality award there. The trip also included touring such spots of interest as Fort Snelling and the downtown metropolitan area. The season was again highlighted by the winning of a first place trophy at the Platteville Dairy Days Parade. It was their first such trophy in over five years.

# FUTURE FARMERS OF AMERICA

The 79 North Crawford Future Farmers had many highlights this year. Among them: an increase of 13 members over the previous year, sponsoring the Stump Sitters deer hunting program, setting a new record in the citrus sale, participating in the Food for America program, and holding an exchange with the Decorah, Ia., FFA chapter. FFA members are some of the busiest people around; along with school activities, each carries on some type of farm program at home.

We did it for you

Class of '81!

There is a past
which is gone
forever;

But there is
a future
which is

still our own.

Delon,

This year has really flew by fast. And, as usual, it's had its share of ups & downs. We had a pretty good time in band this year. It was so nice having an escort to my chair. You can get pretty weird sometimes, but you're still one of the sweetest guys I know. If I ever felt down all I had to do was find you and get a smile or a hug and it would make me feel so much better. I don't know what I would have done without you! I'm sure I'll see you this summer, but take care of yourself and don't get to wild.

Love,
Marcy

Delon,

I guess I'm going to have to keep this short since you don't have a lot of extra room to write in. This year has really been great. We've had some great times (band, dances, Heidi's house). Hopefully next year we'll have even more. You a super guy and a terrific friend. I hope you have a nice summer, I'll probably see you since Heidi and I are planning on spending a lot of time together.

Love,
Renee

Delon
Thx good mood Bars
Been a blast. Im glad
I met you through band
It was a lot of fun
Hope you have a nice summer
See ya later
A.K.A. Dizzy Lizzy

Delon,

This year has been great! It was fun in band lessons 8th hour. Getting Mr. A. and Jim wild. We've had alot of good times. Next year will be even better. You can tease all those "little freshmen", like we were a couple yrs. ago. It doesn't seem possible will be the ones graduating in 2 yrs. Good Luck, have a nice summer.

a friend,
Barb W.

Class '81

a friend always,
Renie

S.C. a's I...

P.S. A hello and kiss for Jeff! Bet we'll see him around this summer.

Delon,
It don't even start to write in this card all I have to say. I'm glad we have such a neat way of communicating. Not much fun this year, don't you think? We've had a lot of teachers together (except for Martin, so much for that!) You didn't do anything (except attack your self with a ruler) to deserve Mr.

Delon,

You such a little cutie! Have yourself a Wonderful Next Two Years. Full Man. There really worth taking Time to sit down ☺ and enjoy. I have to say I'm glad to get out of here. Though. Good Luck in both the scholastic & Athletic fields. Hope to see you play at State Tournaments.

Love,

Mary Monahan

Delon –

Well, big guy, it's been a pretty crazy year. Hopefully your future years at N. E. H. S. will be good ones for ya. I hope to see ya sometime this summer – you know! Take care and good luck wherever ya do!

Love,

Judy K. '82
